Creating a new list

1. Log in to [http://uwrl.talis.com](http://uwrl.talis.com) and click on the ‘My Lists’ option in the menu bar.
2. Click ‘My Lists’ then ‘Create New List’.

3. Fill in the List name in this format: Module code number: Module title (e.g. CP40053E: Computer Architecture). The Description is optional. For Hierarchy choose the module code (if it exists) and add student numbers taking this module. Student numbers field is helpful for the Library when deciding on the number of copies of resources to be bought. In Semester box, choose the 2019-2020 Academic Year, 2019-2020 Semester 1, 2019-2020 Semester 2 whichever is applicable. Click on “Create list”.
